

Fund Fact Sheet

Hedge Strategies Fund

As of 30th September 2024

Investment Objective

The primary objective of the fund is to provide investors with protection from declining markets as well as the opportunity to profit from both advancing as well as declining equity markets through a long-short equity investment strategy.

Strategy

The fund maintains exposure to a portfolio of established institutional Long-Short managers. It may also hold positions in other complementary alternative strategies.

Fund Features

- Exposure to established institutional hedge fund managers;
- Ability to profit from both advances and declines in the market;
- Lower volatility than major stock market indices;
- An investment should be considered long-term, generally at least five years.
